Category 5B	19.00%
Category 5C	19.00%
Category 5D	17.00%
Category 6	12.00%
Category 7A	90.00%
Category 7B	90.00%
Category 8	8.00%
Category 9	100.00%
Category 10A	100.00%
Category 10B	100.00%
Category 11A	17.50%
Category 11B	17.50%
Category 12	100.00%

Important note

This document summarises supplier IFRA documentation held on file by Fusis. IFRA use restrictions are based on the IFRA Standards for specific restricted materials and do not replace a full safety assessment of all product constituents or any finished product. For other applications or higher use levels, a new safety evaluation may be required. Final product safety and regulatory compliance remain the responsibility of the formulator/user.
